# Foreword

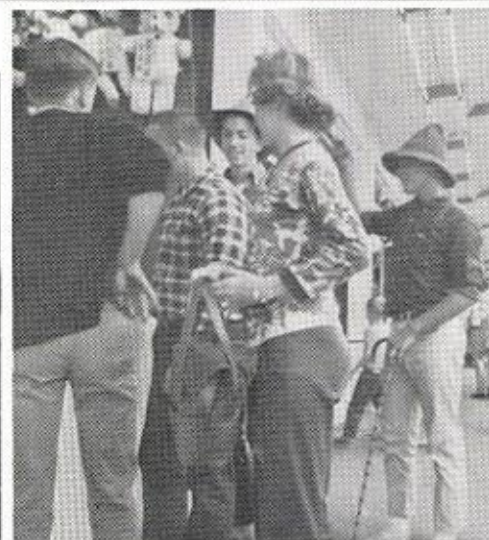

The Publications Staff proudly presents the '65 Eagle. We have worked hard for many months to bring to you a book that will serve as a happy reminder of the '64-'65 school year at W-H. We, the annual staff, hope that as you look through this annual you will be able to see that we have tried to make the annual YOU.

Many persons have helped with the production of this annual and I would like to express my appreciation to my staff for their co-operation. Also, I would like to thank our sponsor, Miss Dyer, for all her patience, guidance, and encouragement.

To the Seniors who are stepping forward into a new position in life, we hope that they succeed in all their desires. We want this annual to be a book of fond memories for them. To the underclassmen and especially the Seniors of '66, may we wish you all the happiness and fun that the Class of '65 had at W-H.

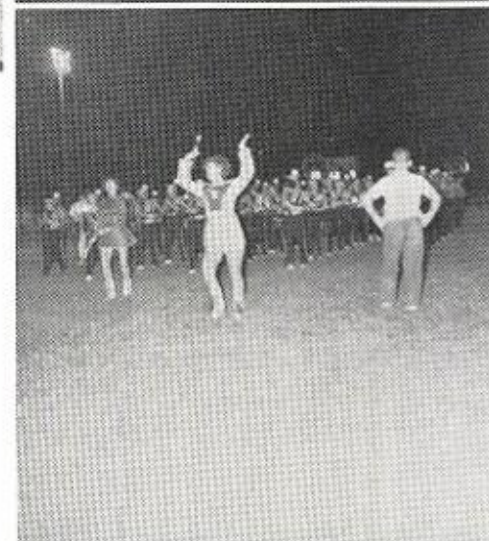

Editor-in-Chief  
Linda Cartwright

The Ex-Students Association presented the Eagle Mascot this year to the Student Body. The Eagle has accompanied the Students to various activities.

We would like to express our sincere gratitude to the Ex-Students for giving us this School-Spirit Booster.

The Publications Staff proudly presents the Eagle '65 dedication to Mrs. Isabelle Cummings and to Mrs. Gwen Duvall.

Having completed eighteen years of teaching, Mrs. Cummings has retired from the W-H faculty. She has taught American history, World history, Civics, Economics, English, and General Science.

Mrs. Cummings received her Master's Degree in Psychology from Southern Methodist University.

We wish to salute Mrs. Cummings for her outstanding service and dedication to our school. Her sparkling personality and presence will greatly be missed next year around the halls of W-H.

## Eagle Dedication

Mrs. Duvall has been a faculty member at Wilmer-Hutchins for four years.

She received her Bachelor of Science Degree from East Texas Baptist.

She has been sponsor of the National Honor Society for three years and sponsor of the Student Council for two years.

She has been an outstanding teacher and friend to all of us, and her guidance and encouragement is appreciated by everyone.

# School Life . . .

School Life is made up of Students and teachers, classrooms and homework, clubs, activities, and sports. Each student and teacher has played an important role in school life. It may have been as a leader, advisor, friend, or as a member of an organization promoting some important idea. Whether your job was big or small, burden-

some or tiresome; YOU have made this school year complete.

Each student and teacher has worked hard toward making this year a successful one. Many have achieved their goals and some have failed, but as a whole the '64-'65 school year at W-H has been a wonderful, inspiring year.

# P.T.A.

The P.T.A. has contributed greatly to the improvement of the Wilmer-Hutchins school libraries. Many other activities and programs have also been sponsored by the P.T.A. during this year.

#### SUPERINTENDENT'S MESSAGE

May this yearbook of memories serve as a record of past pleasures and as a means of recalling the values your school has endeavored to impart. I congratulate the Eagle Staff and their sponsor on this fine publication.

My first year with you has been a most pleasant one. I truly value the cooperation I have received from the students, school personnel, school board and patrons of the school district in making this a successful year.

To those who are leaving our school, it is my sincere hope that we have helped to plant in you the desire to become worthwhile citizens, remembering that the most component part of a democracy is human relations - respecting the dignity and the integrity of the individual and the group. May your future be so planned and managed that the important experiences of your life may bring you both honor and satisfaction.

#### To the Student Body:

Aided by the contents of this book, may you have fond memories of your 1964-65 school year in Wilmer-Hutchins High School.

To those of you who will not be returning "au revoir." May you ever cherish the years you spent here, the friendships you formed here; and may you so live that Wilmer-Hutchins will always be glad to claim you as one of its own.

To those who will be with us again in September, may you resolve to work harder for scholarship, to be more tolerant, to be honest and straightforward, and to be a leader toward improving Wilmer-Hutchins High. With your help much can be accomplished; without your help, little.

Sincerely yours,  
Bill Garner  
Principal

## and Janitors

There is no one more devoted to his job than the friendly janitors in our school. A janitor's job may seem to be an easy job, but a lot of hard work and effort is put in each day by these men.

Monday-Hawaiian Day/Luau

Tuesday-Sr. Trip/Dude Ranch

Wednesday-FTA Breakfast and Turn About Day

Thursday-Cedar Canyon

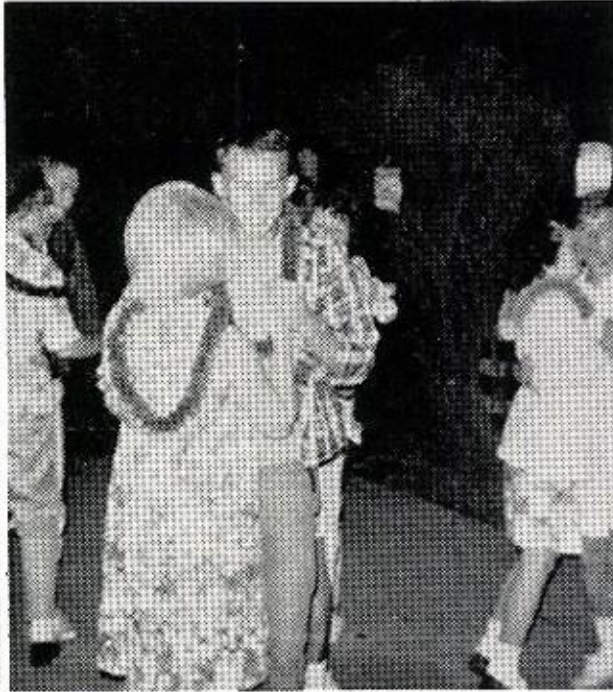

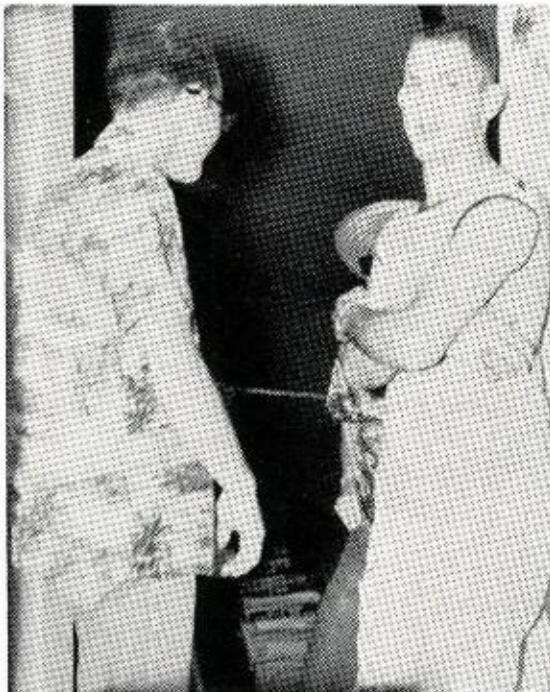

Friday-Junior/Senior Prom

Have you ever seen any lovelier  
Hawaiians?

Even Hawaiians have to study once in a  
while.

The Luau proved a  
great success. The  
"Cavemen" played  
for entertainment and  
the Seniors danced all  
night long.

Hawaiian Day was fun  
for all the Seniors.  
W-H really brightened  
up on that day. Along  
about homeroom,  
everyone was really  
beat!

# Week That Was

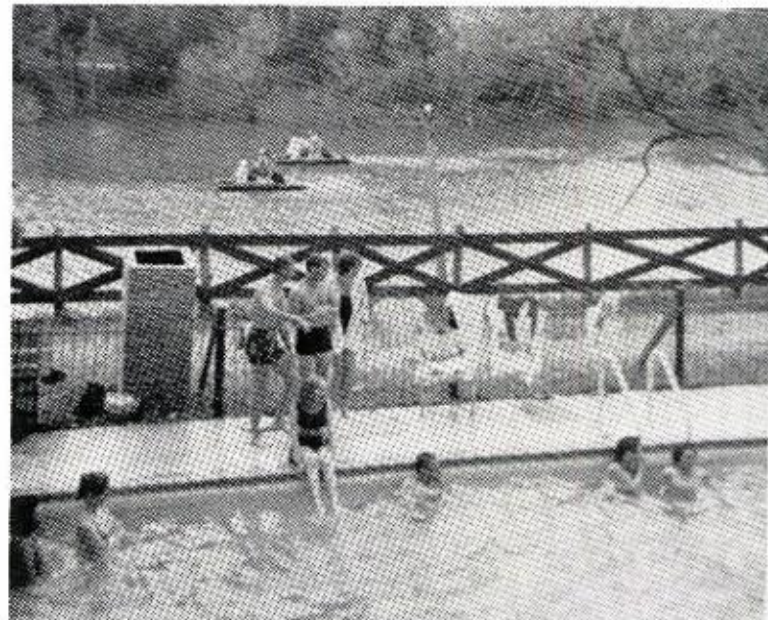

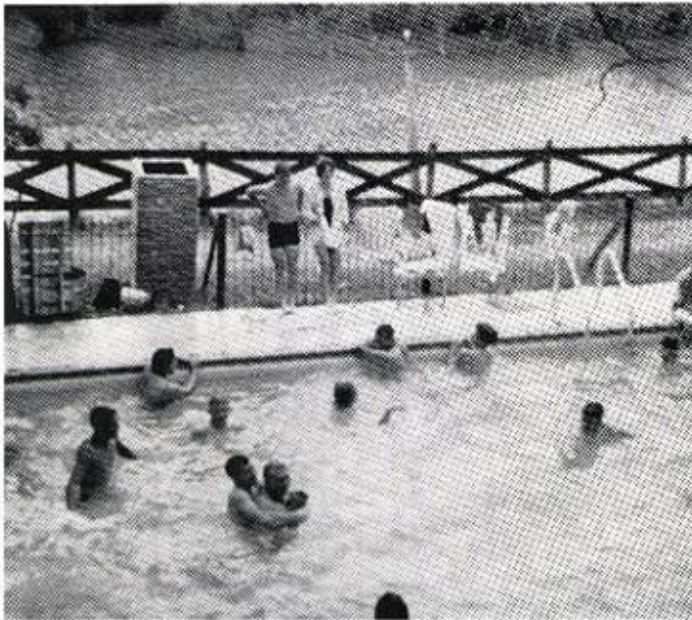

On Tuesday, the 27th, the Seniors headed for Austin Patio Dude Ranch for a gloriously - spent day. Everything imaginable was out there. Swimming, horseback riding, paddle boats, fishing, hikes?????, and dancing. Everyone came home tired but very happy.

Donny couldn't seem to stay on a horse, so he tried to teach an "old" dog "new" tricks.

THE FOOD WAS GREAT!!

The day at the Dude Ranch just proved too much for some of the kids. Everyone was glad to head back home. The ride back home was a lot quieter than it was going up there. Even Mrs. Basett was quiet.

Nine months can seem like a long time for a freshman, but once that freshman becomes a Senior those last few months of school just fly by. The 1965 Seniors can never forget the last few months of their stay at W-H. Each leaves it with mixed emotions, yet full of memories that time can never erase, and that can only be lived once.
